## **CMS and TJC 2018 Update for Security and Emergency Management**

### **Webinar #T5031**

#### **DATE AND TIME**

March 29, 2018

9:30 - 10:30 a.m. CT

#### **OVERVIEW**

It is important to understand the changes in regulatory laws and standards taking place in 2018. Our speakers will discuss these changes as it relates to security and emergency management. They will also discuss challenges and common issues in these areas.

#### **TARGET AUDIENCE**

Anyone involved with compliance regulations and standards, including, but not limited to, CEOs, CMOs, CNOs, physicians, nurses, emergency management personnel, quality improvement and risk management staff, performance improvement coordinators, compliance officers and legal counsel.

#### **OBJECTIVES**

1. Identify CMS budget issues.
2. Explain the changes in regulations taking place in 2018.
3. Differentiate between the different survey types.
4. Identify possible compliance gaps and challenges.

#### **FACULTY**

**Ken Bukowski, Vice President, Vertical Market**  
Allied Universal Security Services

Ken Bukowski's experience in the healthcare industry includes security services, regulatory compliance, distribution and logistics, hospital and health system solutions, and GPO relations. He currently has national responsibility for healthcare solutions at AlliedBarton for strategy and implementation, business development, client experience/retention, regulatory compliance, operations support, marketing and training. He is member of IAHSS, ASIS, ACHE, ASHE and The Advisory Board Company.

**Mike Dunning, National Director of Healthcare Operations**  
Allied Universal Security Services

As the National Director of Healthcare Operations, Mike Dunning is responsible for oversight for all Allied Universal Healthcare account operations and for aiding business development to ensure corporate compliance programs and objectives are developed, implemented and adhered. He serves as the subject matter expert for healthcare security operations and provides support for a wide variety of operational, sales, regulatory and compliance related tasks associated with the oversight of our healthcare accounts. Mr. Dunning's experience includes over 20 years of management in the security field with over 12 years in healthcare. He has served in multiple positions with the International Association of Healthcare Security and Safety (IAHSS), American College of Healthcare Executives (ACHE), ASIS, Association for Healthcare Accreditation Professionals (AHAP), and American Society for Training and Development (ASTD).

Mr. Bukowski and Mr. Dunning have no real or perceived conflicts of interest that relate to this presentation.
