Plain Language for the Win Webinar #060518-TX

DATE AND TIME

June 5, 2018
12:00 - 1:00 p.m. CT

OVERVIEW

Join us to hear about one hospital system's experience implementing and using plain language alerts as it nears the one-year mark since its transition from color-based emergency codes. The conversation will range from unexpected lessons learned to what has worked well for the system and will include helpful hints for any hospital considering this switch.

TARGET

CEOs, COOs, DONs, quality, safety and risk management staff, security and ER staff.

FACULTY

Carrie Kroll, Vice President for Advocacy, Quality and Public Health
Texas Hospital Association

Ms. Kroll works to advocate lawmakers on numerous issues including quality and patient safety, trauma and end of life care. Prior to joining THA she served for 10 years as the Director of Advocacy and Health Policy for the Texas Pediatric Society, the Texas Chapter of the American Academy of Pediatrics.

Also speaking is Nick Sloan, Corporate Director of Emergency Management for Baylor Scott and White Health.

PRICE

\$195 per connection for members.
\$390 per connection for non-members.

Note: The fee is for one phone line with unlimited participants. For example, 10 employees can participate for only \$19.50 ea!
