

The influential voice of Nebraska's hospitals

## Nebraska Quality Residency Program Agenda's

### Module C - External Data Reporting

(Leads: Margaret Brockman, Nancy Jo Hansen, Amber Lubben)

May 5, 2022

TBA

#### Objectives:

- Describe standard processes to implement to assist the organization in maintaining awareness of statutory and regulatory requirements (ex: MBQIP, HCAHPS, QIO, HIIN, Registries)
- Summarize the purpose and goals of the HQIC project
- Identify gaps in your fall risk reduction program as compared to evidence-based best practices
- Explain inpatient fall events at the system level
- Define QIO-QIN and Beneficiary and Family Centered (BFCC) – QIO

#### Pre-work:

- Bring your hospitals total, unassisted and injurious fall rates for the previous calendar year

8-8:30	Program Overview	Margaret Brockman Nancy Jo Hansen Amber Lubben Dana Steiner
