

About Us

Since its establishment in 1983, The Nebraska Association of Behavioral Health Organizations (NABHO) has grown into an organization that responds to the ever-changing needs of the behavioral health community and its consumers. We strive to educate the public and policy makers to remove the stigma associated with mental illness and substance use disorders. NABHO works hard to be a trusted voice, relentlessly advocating on behalf of both providers and consumers.

CORE VALUES

Expertise

Advocacy

Alliances

Integrity

Quality

Mission

NABHO exists to build strong alliances which ensure quality behavioral health services, including substance use and mental health services, are available to everyone in our state.

Vision

Our vision is for quality substance use and mental health services to become a central part of accessible healthcare in our state.

NABHO Members Represent...

49 Member Organizations that serve consumers state-wide

2,500+ Employees, including more than **1,200 providers**
