

340B Industry Update & Transition to a New Administration Webinar

Webinar #041117-SERV

DATE AND TIME

April 11, 2017
11:00 a.m. - 12:00 p.m. CT

OVERVIEW

SUNRx, a preferred business partner of NHA Services, Inc., is excited to provide eligible entities with access to this 340B Industry Update. This webinar will provide the latest updates in 340B including the impact of the Trump Administration.

Join us for this informative webinar event where current trends and drivers in the 340B space will be discussed. Learn more about what hospitals and entities will be asking about in 2017.

FACULTY

Brian Ward is known throughout the industry as a luminary in 340B and is the vice president of regulatory compliance for SUNRx. Mr. Ward will be providing an overview of key elements in navigating 340B compliance.

Rob Miller is the senior vice president of 340B Health, a leading advocate and resource for those providers who serve their communities through participation in the 340B drug pricing program. He will be presenting the most recent updates on the current 340B environment and what hospitals should be on the lookout for in the coming months.
