March 15, 2023

Promote your organization

You are invited to participate as a select sponsor of NHA Advocacy Day. Your company name, marketing materials and contact information will be exposed to a large audience from a wide variety of health care providers across the state, in addition to a majority of Nebraska's state senators.

Each year, the NHA hosts this half-day workshop that provides hospital CEOs, advocacy team members, trustees, key health care professionals, Nebraska state senators and their staff, division leaders of the Nebraska Department of Health and Human Services (DHHS) and other health care advocates with important information about state legislative issues.

NHA Advocacy Day facilitates grassroots advocacy efforts by bringing together health care professionals and state senators to discuss how legislation affects the delivery of health care services in our communities.

Collectively, we are the influential voice of Nebraska's hospitals.
