CMS, The Joint Commission, DNV and Other Standards on Informed Consent Every Hospital Should Know

Webinar #T4061

DATE AND TIME

August 8 2017

9:00 - 11:00 a.m. CT

OVERVIEW

This program will discuss the current CMS hospital Conditions of Participation (CoPs), Joint Commission and DNV Healthcare standards on informed consent requirements. This program is beneficial to all hospitals, including Critical Access Hospitals.

OBJECTIVES

1. Identify the CMS CoP three separate sections on informed consent.
2. Differentiate the informed consent guidelines for hospitals and critical access hospitals.
3. List the six minimum requirements that are now mandatory to be in the informed consent form for surgery done at a hospital that receives Medicare reimbursement.
4. Discuss the OAS and accreditation standards applicable to your facility and how they should be reflected in the hospital's policies and procedures.
5. Identify the medical staff's list of procedures and tests that require an informed consent under federal regulations.

TARGET AUDIENCE

CMOs, CNOs, COOs, medical staff leaders, teleradiology professionals, directors of radiology, risk managers, patient safety officers, nurse educators, Joint Commission directors, accreditation directors, directors of regulatory affairs, medical staff office personnel, compliance officers, hospital legal counsel and anyone involved in telemedicine services.

FACULTY

Sue Dill Calloway, President

Patient Safety and Health Care Education and Consulting

Sue Dill Calloway has been a nurse attorney and consultant for more than 30 years. Currently, she is president of Patient Safety and Healthcare Education and Consulting and was previously the chief learning officer for the Emergency Medicine Patient Safety Foundation. She has conducted many educational programs for nurses, physicians, and other health care providers. Sue has authored over 100 books and numerous articles. She is a frequent speaker and is well-known across the country in the areas of health care law, risk management, and patient safety. Sue has no real or perceived conflicts of interest that relate to this presentation.
