## **Boards and Medical Staff: Complying with the CMS Hospital CoP**

Webinar# 100318-TX

### **DATE AND TIME**

October 3, 2018

12:00 - 1:00 p.m. CT

### **OVERVIEW**

CMS made many changes in April of 2015 and some hospitals are still struggling to ensure compliance. CMS allows a hospital system to share a medical staff which CMS refers to as a unified and integrated medical staff. Boards must directly consult with an individual who is responsible for the conduct of the medical staff at least twice a year. Join us to learn more about these issues.

### **TARGET**

This program is for all board members, physicians, medical staff office staff and regulatory and compliance staff.

### **FACULTY**

**Sue Dill Calloway, RN, JD, President**

Patient Safety and Healthcare Education and Consulting

Sue Dill Calloway has been a nurse attorney and consultant for more than 30 years. Currently, she is president of Patient Safety and Healthcare Education and Consulting and also the chief learning officer for the Emergency Medicine Patient Safety Foundation. Prior to her current role, she was the director of hospital patient safety for The Doctors' Company and OHIC Insurance Company. She has led many educational programs for nurses, physicians, and other health care providers. Dill has authored more than 100 books and numerous articles. A frequent speaker, Sue Dill Calloway is well known across the country in the area of health care law, risk management, and patient safety.

### **PRICE**

\$195 per connection for members.

\$390 per connection for non-members.

Note: The fee is for one phone line with unlimited participants. For example, 10 employees can participate for only \$19.50 ea!
