The Brave New World of Physician-Hospital Alignment

Webinar #T5030

DATE AND TIME

March 20, 2018

12:00 - 1:00 p.m. CT

OVERVIEW

Hospitals have always relied on physicians to ensure high-quality care and participate in medical staff self-governance but the new world of pay for performance, MACRA and numerous other programs are driving hospitals to partner with physicians in new and more interdependent way.

Join the speakers as they outline some of the new models being pursued in the world of hospital-physician partnerships and discuss what MACRA really means for the private practice of medicine in the U.S.

TARGET AUDIENCE

This session is intended to benefit hospital board member, hospital leaders, physicians, nurse educators hospital legal counsel and others involved with hospital-physician partnerships and MACRA.

OBJECTIVES

1. Review the strategic imperatives driving the need for hospital-physician alignment.
2. Explain success factors in creating true physician-hospital alignment and discuss the board's role in supporting alignment.
3. Discuss ways to build trust and improve communication among the medical staff, hospital administration, and the board.
