## Federal Regulatory Trends That Will Drive Change in 2018

Webinar #T5014

### DATE AND TIME

February 8, 2018  
12:30 - 1:30 p.m. CT

### OVERVIEW

This webinar will discuss recent federal audits that will impact healthcare providers operations. We will review areas of focus for compliance programs and the top considerations for healthcare providers to address in 2018. We will focus upon recent federal cases and the OIG Work Plan updates. This webinar will also discuss the federal regulations that will drive change in the healthcare industry in 2018.

### TARGET AUDIENCE

This session is intended to benefit hospital leaders, physicians, compliance officers, in-house counsel and other interested federal auditing updates.

### OBJECTIVES

1. Identify the federal audits that will impact operations of healthcare providers.
2. Discuss focus areas of compliance programs healthcare providers should address for 2018.
3. Examine some of the federal regulations what will drive change in the healthcare industry.

### FACULTY

**Michele Madison, Partner**  
Morris, Manning & Martin, LLP

Michele Madison provides general legal advice to health systems in various regulatory and business matters. She is highly experienced in managing legal issues arising in hospitals, physicians offices or integrated health systems including employment, investigations, risk management assessment and corporation management, and provides legal education for health systems' medical staff, management teams and employees in these areas. Michele has no real or perceived conflicts of interest that relate to this presentation.

### PRICE

\$195 per connection for members.  
\$390 per connection for non-members.

Note: The fee is for one phone line with unlimited participants. For example, 10 employees can participate for only \$19.50 ea!
