

# careLearning Live Product Information Webinar

## October 14, 2021

### 10:00 – 11:00 am CT

Please join us for a **free** webinar to gain practical knowledge of how the careLearning system will help you organize and manage your education. careLearning is a non-profit member service of the Nebraska Hospital Association and over 40 other state hospital associations. careLearning is currently being utilized by 20+ hospitals and health care providers across Nebraska.

#### **Areas Covered in This Session:**

- Discover who careLearning is and what we have to offer your organization such as an award-winning Learning Management System, Full course catalog specific for health care, Competency Management, Performance Management, and much more.
- Learn how our system will assist you in effectively managing both online and live education.
- Maximize course offerings for your employees in a cost and resource effective way.
- Witness how easy and comprehensive the documentation and reporting will make your next performance evaluation or audit.
- See the ways that education is centralized so that employees and managers can easily find out what education is required or available.
- Discuss the implementation process and product support.
- Ask questions of a careLearning Product Expert.

#### **Who Will Benefit:**

Anyone who has a vested interest in providing education to employees. This might include:
