

The influential voice of Nebraska's hospitals

Nebraska Quality Residency Program Agenda's

Module K & L- Infection Prevention & More Quality

(Leads: Anne Hansen, Erin Starr, Denise Sabatka)

November 4, 2022

NHA Lincoln

Objectives: Infection Prevention

- Describe quality improvement opportunities and how to prioritize competing infection prevention priorities
- Formulate action plans or projects for infection prevention
- Identify process champions
- Recommend teams, roles, responsibilities, and scope of practice
- Operate a range of quality tools and techniques (e.g., fishbone diagram, FMEA, process map)
- Demonstrate monitoring of project timelines and deliverables
- Evaluate team effectiveness (e.g., dynamics, outcomes)
- Evaluate the success of performance improvement projects
- Implement key techniques to adopt workplace joy.

Objectives: More Quality

- Translate population health promotion and continuum of care activities (e.g. transitions of care, episode of care, outcomes, healthcare utilization)
- Defend resource needs to leadership to improve quality (e.g. equipment, technology)
- Distinguish quality initiatives impacting reimbursement (e.g., pay for performance, value-based contracts)
