CMS CoPs for Hospitals: 2018 Update - Part 3 of 5

Webinar #T5018

DATE AND TIME

February 20, 2018
9:00 - 11:00 a.m. CT

OVERVIEW

This five-part webinar series will cover the entire Centers for Medicare and Medicaid Services (CMS) Hospital Conditions of Participation (CoPs) manual. This is a great way to educate employees in your hospital on the sections of the CMS hospital manual that apply to their departments. Every hospital that accepts Medicare or Medicaid must be in compliance with these regulations and interpretive guidelines.

Part 3 of this series will focus on guidelines updates and changes for nursing services and pharmaceutical services.

TARGET AUDIENCE

Anyone involved with compliance regulations and standards, including, but not limited to, CEOs, CMOs, CNOs, physicians, nurses, quality improvement and risk management staff, performance improvement coordinators, pharmacy and medication management staff, compliance officers and legal counsel, ethics committee members, consumer advocates, TJC liaisons, safety officers, behavioral health and psychiatric staff, and case managers.

OBJECTIVES

1. Explain how medications must be given in a timely manner and within 3 blocks of time.
2. List the protocols and orders for medical records.
3. Identify the required CMS pharmacy policies.
4. Explain the guidelines for a nursing care plan, involving a written plan included in the medical records.
5. Discuss the CMS rules for a safe opioid policy approval and education process.

FACULTY

Sue Dill Calloway, President

Patient Safety and Health Care Education and Consulting

Sue Dill Calloway has been a nurse attorney and consultant for more than 30 years. Currently, she is president of Patient Safety and Healthcare Education and Consulting and was previously the chief learning officer for the Emergency Medicine Patient Safety Foundation. She has conducted many educational programs for nurses, physicians, and other health care providers. Ms. Dill Calloway has authored over 100 books and numerous articles. She is a frequent speaker and is well known across the country in the areas of health care law, risk management and patient safety. Sue has no real or perceived conflicts of interest that relate to this presentation.
