

Restraint & Seclusion: Complying With CMS CoPs and The Joint Commission Standards

Webinar #T2912

DATE AND TIME

June 24, 2014

9:00 a.m. - 10:30 a.m. CT

OVERVIEW

Restraint and Seclusion is a significant compliance issue with both CMS and The Joint Commission. The restraint policy is one of the hardest to write and understand for hospitals. This program will simplify and take the mystery out of the restraint and seclusion interpretive guidelines. It will also provide a crosswalk to The Joint Commission standards.

TARGET AUDIENCE

CEOs, COOs, CMOs, CNOs, all clinical nursing leadership, ED directors, ED physicians, medical staff coordinators, professional staff nurses, department directors, The Joint Commission coordinators, performance improvement directors, risk managers, safety officers and compliance officers.

PROGRAM TOPICS

- Right to be free from restraint
- Providing copy of right to patients
- Restraint protocols
- CMS final changes June 7, 2013
- Two new tag numbers 412 and 413
- New manual issued January 31, 2014
- Medical restraints
- Behavioral health restraints
- Violent and self-destructive behavior
- Definition of restraint and seclusion
- Manual holds of patients
- Leadership responsibilities
- Two soft wrist restraints, internal log and documentation
- Culture of safety
- Drugs used as a restraint

- Monitoring of patient in R/S
- The Joint Commission Hospital Restraint standards and differences from CMS
- and much more!

OBJECTIVES

1. Define the CMS restraint requirement that all deaths that occur while the patient is in restraints or within 24 hours after must be reported to CMS regional office.
2. Recall that CMS requires that all physicians and others who order restraints must be educated on the hospital policy.
3. Describe the CMS restraint education requirements for staff.
4. Discuss what must be documented in the medical record for the one-hour face-to-face evaluation on patients who are violent and/or self-destructive.

FACULTY

Sue Dill Calloway, RN, CPHRM, MSN, JD
Medical-Legal Consultant - Dublin, Ohio
