

## CMS Surgery, Post-Anesthesia Care Unit and Anesthesia Guidelines: Extensive Revisions

Webinar #T2904

### DATE AND TIME

May 6, 2014

9:00 a.m. - 10:30 a.m. CT

### OVERVIEW

There have been extensive changes to the CMS Conditions of Participation for surgery, PACU and anesthesia guidelines. Hospitals continue to be confused about implementation and compliance issues. Learn from an expert strategies for compliance.

### TARGET AUDIENCE

CEOs, COOs, CMOs, CNOs, chiefs of anesthesia and anesthesiologists, anesthesia assistants, OR directors, ED medical directors and physicians, GI directors, OB directors and nurses, ED directors and staff, PACU managers, medical staff coordinators, medical credentialing staff, The Joint Commission coordinators, quality/performance improvement directors, risk managers, safety officers and compliance officers.

### PROGRAM TOPICS

- CMS deficiency report and current manual
- CMS Certification and Survey Memos
- CRNA state exemption
- Anesthesia policies required
- Criteria for privileges
- Board of Directors responsibilities
- Pre-anesthesia assessment and 48 hour requirement
- Post-anesthesia evaluations
- Consent, infection control, documentation, safety policies
- Documentation requirements
- Intra-operative anesthesia record requirements
- and much more!

### OBJECTIVES

1. Recall that there are a number of policies and procedures required by CMS related to anesthesia services and surgery
2. Describe that CMS has a list of things that must be documented on the intra-operative record
3. Discuss the 48 hour requirements for the post-anesthesia evaluation of both inpatients and outpatients
4. Recall that CMS has a list of things that must be included in the OR register
