

CMS CAH CoP 2017: Ensuring Compliance - Part 2 of 3

Webinar #T4008

DATE AND TIME

February 14, 2017
9:00 - 11:00 a.m. CT

OVERVIEW

Critical Access Hospitals (CAHs) must comply with the Centers for Medicare & Medicaid Services' Conditions of Participation (CMS CoP) for Critical Access Hospitals. The CMS regulations and interpretive guidelines serve as the basis for determining compliance. In the second part of this three-part webinar, the October 9, 2015 final CMS manual and the many changes incurred will be discussed in detail. You will learn details about the CoPs and what to do when a surveyor arrives at your facility. Additionally, every section in the CAH hospital manual will be discussed.

TARGET AUDIENCE

Anyone involved with compliance regulations and standards, including, but not limited to, CEOs, CFOs, CMOs, CNOs, physicians, nurses, quality improvement staff, risk managers, pharmacy staff, dietitians, compliance officers and legal counsel, ethics committee members, consumer advocates, TJC liaisons, safety officers, behavioral health and psychiatric staff, and case managers.

OBJECTIVES

1. List the sections of the final 2015 manual including nursing, dietary, drugs and biologicals, pharmacy and infection control.
2. Discuss the responsibilities of pharmacists including development, supervision and coordination of pharmacy activities.
3. Describe CAH monitoring and inspection requirements that will ensure outdated drugs are not available for patient use.
4. List requirements for security and storage of medications, medication carts and anesthesia carts.

5. Discuss the requirements that describe the list of do-not-use abbreviations and review of sound alike/look alike drugs.

FACULTY

Sue Dill Calloway, President

Patient Safety and Health Care Education and Consulting

Sue Dill Calloway has been a nurse attorney and consultant for more than 30 years. Currently, she is president of Patient Safety and Healthcare Education and Consulting and was previously the chief learning officer for the Emergency Medicine Patient Safety Foundation.
